KENNETH B. WARNER, EDITOR.

April 30, 1924.

Mr. Fred Catel, Secretary,
Milwaukee Radio Amateurs' Club, Inc.,
601 Enterprise Building,
Milwaukee, Wisconsin.

Dear Mr. Catel:

I have your letter of April 25th and am indeed surprised to learn that you did not receive my letter of April 2nd in reply to yours of March 23rd, the first communication I received from you.

"We acknowledge receipt of your letter of March 23rd together with two subscriptions for QST from members of your association. We note that you are the new secretary of your organization and I am passing this information on to our Traffic Manager so that all affiliated club information will come directly to you.

"I am enclosing herewith a supply of application blanks and I wish to advise that your present method of forwarding subscriptions is perfectly satisfactory to us and we hope that your new membership drive will be a successful one. Possibly you have seen the "Story of the A.R.R.L." booklet which has just been gotten up here at headquarters, however I am sending herewith a few copies of this booklet and if you would like to have some more we will very gladly forward them.

"I believe that it is the policy of your organization to have all of your members enrolled in the A.R.R.L., and if you wish to make sure of their status as members of the League we will very gladly check the list of members of your organization. Several of the affiliated clubs have adopted such a policy and from time to time we receive their list of members and check them against ours to see if they are also League members."

The letter I have quoted above was apparently lost in the mails. I would not want you to believe that I intentionally passed over your letter of March 23rd as I

very highly regard your organization. I realize the splendid A.R.R.L. spirit the Milwaukee Radio Amateurs' have and I always make a special point in giving all of their matters special attention.

We do not seem to have any record of Mr. Wulff's subscription to QST. We will be very glad to receive a little more definite information regarding it; the exact date it was forwarded and the form of remittance sent to us. I would be very glad to have you obtain this information from Mr. Wulff and advise me personally. We will promptly forward consecutive numbers of any of the 1924 series he wishes to begin his subscription with.

I am sorry that the official balloting date closes tomorrow so that Mr. Wulff cannot take advantage of the voting.

Sincerely yours,

AMERICAN RADIO RELAY LEAGUE,
Incorporated.
